

## **Welcome to ST Ninian's High School activities week 2017!**

Last year activities week was a great success and this year we are proud to be bringing it back bigger and better!

When selecting the activities you want to partake in please make sure all of your choices are something you want to do. You may be very lucky and get every choice you want. However due to the number of spaces available you may be offered your reserve choices for 1 or more option, so these need to be thought through as carefully as your first two!

When picking activities please do not base your choices on being with your friends, as limited places and activities being held on multiple days gives you not guarantee of being with them in the same group on the same activity. Some activities are only available for certain year groups, so please the information boxes to check you are eligible for the activity before choosing it.

Timeline for completion:

Date	Information
8/5/17	Deadline for options forms to be returned to your Tutor, and choices input onto the activities system.
13/5/17	Activities allocated and information distributed to students
12/6/17	Any Deposits for activities to be brought into School
13/7/17	Final balance to be paid

Options selection is on the reverse side

Please make your selections and get the form signed by your Parent or Guardian.
